

AMENDMENT #2
CONTRACT #000000000000000000024677

This is an Amendment to the Contract (the "Contract") entered into by and between the Indiana Department of Administration (the "State") and FASTENAL COMPANY (the "Contractor") approved by the last State signatory on February 26, 2019.

In consideration of the mutual undertakings and covenants hereinafter set forth, the parties agree as follows:

1. The Contract is hereby renewed for an additional period of one (1) year. It shall terminate on February 14, 2022.
2. The Contract is amended by removing **Section 2. Consideration** in its entirety and replacing it with the following:

Purchases under this Contract will be made at the discretion of the eligible purchasing entities. Contractor will be paid at the rates established in **Exhibit A.2 and Exhibit B**, attached hereto and incorporated herein, for providing Maintenance, Repair, and Operations and performing the associated services to eligible purchasing entities, as ordered, under this QPA. The Contractor agrees that all prices are inclusive of any fees (including, but not limited to, shipping, handling, and/or labor fees required to provide delivery of commodities or completion of services to all State locations), unless specifically approved in writing by the State. Contractor understands and agrees that this Contract does not guarantee the Contractor a minimum quantity of orders or remuneration amount. Payment shall be made to the Contractor by the Ordering/Using entity in accordance with *Section 36. Payments* and all other applicable provisions of this Contract.

This Contract's total remuneration amount is based on the number and quantity of purchases made by eligible purchasing entities. Therefore, this Contract does not identify a total remuneration amount.

A. Market Basket Pricing

The Contractor shall provide products identified by the State, K-12, and Library entities as core items required by Ordering Agencies to support normal business operations on a regular basis, as referenced in **Exhibit A.2**.

B. Non-Market Basket Pricing

The Contractor shall provide products that are available in the Contractor's current standard offerings with a Non-Market Basket Discount based on the category into which the products fall. Identified Non-Market Basket Discounts, as referenced in **Exhibit B**, shall remain the same **or better** for the life of the Contract including option years and extensions.

1. **Sourced Products**

In the case of products that fall within awarded categories which the Vendor sources on behalf of the State and which are not part of the Vendor's standard offerings, the State shall receive the Non-Market Basket Discount for the category into which the products fall, where applicable, at the discretion of the State Vendor Contract Manager.

2. **Retrospective Discount**

For any of the forty-five (45) highest spend Non-Market Basket items, which include seven (7) Commercial Cleaning and Janitorial Products, nineteen (19) General Industrial, six (6) Light and Electrical Supplies, ten (10) Plumbing Supplies, and three (3) Safety Supplies items, the Vendor agrees to apply a

retrospective discount of seven percent (7%) off the contracted sell price less any deviations – such as an applied credit, promotional price, price match, or volume discount - that occurred at the time of purchase. The Vendor will provide this discount in the form of an administrative fee, submitted as a check to the Indiana Department of Administration each quarter, after the quarterly review and identification of these 45 items.

C. Pricing Terms

1. Price Hold

All item prices shall remain set and unchanged for the initial twelve (12) month after the Contract effective date. The net effect of any price changes cannot increase the total cost to the State. After the initial 12 month period, price increases shall be approved by the State of Indiana on an annual basis with valid documentation from manufacturer on list price increase. Price increases per item shall continue to reflect the Contractor's original discount percentage or better. Price change will go into effect 30 days after approval documentation has been sent to Contractor from the State of Indiana.

Quarterly market basket composition and non-market basket percentage off list price reviews will begin at the first quarterly business review and at every quarterly review for the remainder of this Contract. The State reserves the right to adjust the Market Basket items and Non-Market Basket percent off list price during the initial twelve (12) months.

The approval document for price changes shall be issued through an amendment to this Contract by the State and include a new item listing, or **Exhibit A.2**, which will replace all prior versions of the item listing.

2. Price Match

If it is discovered that a product can be purchased from **www.fastenal.com** for a price lower than its current contracted pricing, Contractor shall match the lower price for all products that are an exact item match. Price match purchase must have the approval of the State Contract Manager, as a special request purchase shall be required.

D. Pricing Errors and Overcharges

For any pricing errors or overcharges discovered by either party, the Contractor shall reimburse the State in full for all overcharges. Additionally, the Contractor shall pay to the State 10% of total purchase price of the accurately-priced items which had been invoiced at incorrect pricing, at the discretion of the State, if the Contractor fails to correct pricing discrepancies within 14 days of notification. The State shall pay Market Basket Price less 10% if any Market Basket items are removed without notification forcing Non-Market Basket Substitutes to be purchased. Any pricing errors shall be corrected by the next business day of notification to the Contractor of the error. The Contractor shall provide a credit to the Ordering Agency for pricing errors or penalty fees. In the event that multiple agencies are involved, credit distribution shall be determined at the discretion of IDOA.

E. Financial Warranty

The Contractor shall not use the State of Indiana's Market Basket pricing, as listed in **Exhibit A.2**, to negotiate lower prices on existing or new contracts ("Competing Contracts") with entities that are Ordering Agencies, as defined in **Section 1(A)** of this Contract. If the Contractor executes Competing Contracts that include any Market Basket item contracted hereunder to an Ordering Agency, and the Market Basket item is provided at a price lower than that which is charged under this Contract, the lower price per item shall be effective from the date the Competing Contract was executed.

In addition to the State's new Contract price per Market Basket item, which resulted from the Competing Contract's lower price per Market Basket item, the Ordering Agency shall also be entitled to a credit for the difference between the amounts paid per Market Basket item, as listed in **Exhibit A.2**, and the Competing Contract's lower price per Market Basket item. The credit will be calculated based on the historical volume ordered by each Ordering Agency from the date the Competing Contract was executed to the date the vendor updates the Market Basket item prices in the eProcurement Punch-Out, as discussed in **Section 1(G)** of this Contract.

It shall not be a violation of this section for the Contractor to respond to a bid, request for proposal, request for quotation, or similar public solicitation process ("Bid") from any Ordering Agency **and** to offer different prices for products not offered in this Contract's Market Basket, as listed in **Exhibit A.2**. Further, it shall not be a violation of this section for the Contractor to negotiate a local Market Basket ("Local Market Box"), for any Ordering Agency, with the exclusion of State Agencies, to offer different prices for products not offered in the State Market Basket, as listed in **Exhibit A.2**. A Local Market Box consists of State Market Basket items, priced as listed in **Exhibit A.2**, plus Non-Market Basket items. Non-Market Basket items included in the Local Market Box shall not impact, alter or change the State's Non-Market Basket percent off list price, as referenced in **Exhibit B** of this Contract. It shall not be a violation to offer Market Basket item(s) to an Ordering Agency at a lower price if a onetime bulk purchase is made. However, for a one time bulk purchase to be made, prior written approval from the State Vendor Contract

3. The Contract is amended by removing **Exhibit A.1** in its entirety, and all references to either Exhibit A or Exhibit A.1, and replacing it with the attached **Exhibit A.2: State of Indiana Market Basket Pricing**.

All matters set forth in the original Contract and subsequent Amendments not affected by this Amendment shall remain in full force and effect.

Non-Collusion and Acceptance

The undersigned attests, subject to the penalties for perjury, that the undersigned is the Contractor, or that the undersigned is the properly authorized representative, agent, member or officer of the Contractor. Further, to the undersigned's knowledge, neither the undersigned nor any other member, employee, representative, agent or officer of the Contractor, directly or indirectly, has entered into or been offered any sum of money or other consideration for the execution of this Contract other than that which appears upon the face hereof. **Furthermore, if the undersigned has knowledge that a state officer, employee, or special state appointee, as those terms are defined in IC § 4-2-6-1, has a financial interest in the Contract, the Contractor attests to compliance with the disclosure requirements in IC § 4-2-6-10.5.**

Agreement to Use Electronic Signatures

I agree, and it is my intent, to sign this Contract by accessing State of Indiana Supplier Portal using the secure password assigned to me and by electronically submitting this Contract to the State of Indiana. I understand that my signing and submitting this Contract in this fashion is the legal equivalent of having placed my handwritten signature on the submitted Contract and this affirmation. I understand and agree that by electronically signing and submitting this Contract in this fashion I am affirming to the truth of the information contained therein. I understand that this Contract will not become binding on the State until it has been approved by the Department of Administration, the State Budget Agency, and the Office of the Attorney General, which approvals will be posted on the Active Contracts Database:

https://fs.gmis.in.gov/psp/guest/SUPPLIER/ERP/c/SOI_CUSTOM_APPS.SOI_PUBLIC_CNTRCT S.GBL

In Witness Whereof, the Contractor and the State have, through their duly authorized representatives, entered into this Contract. The parties, having read and understood the foregoing terms of this Contract, do by their respective signatures dated below agree to the terms thereof.
