The funds shall be used exclusively in accordance with the provisions contained in this Grant Agreement and in conformance with Indiana Code § 16-19-3-1 establishing the authority to make this Grant, as well as any rules adopted thereunder. The funds received by the Grantee pursuant to this Grant Agreement shall be used only to implement the Project or provide the services in conformance with this Grant Agreement and for no other purpose.

FUNDING SOURCE:

If Federal Funds: Program Name per Catalog of Federal Domestic Assistance (CFDA):

If State Funds: Program Title: *NUTRITION AND PHYSICAL ACTIVITY*

2. Representations and Warranties of the Grantee.

A. The Grantee expressly represents and warrants to the State that it is statutorily eligible to receive these Grant funds and that the information set forth in its Grant Application is true, complete and accurate. The Grantee expressly agrees to promptly repay all funds paid to it under this Grant Agreement should it be determined either that it was ineligible to receive the funds, or it made any material misrepresentation on its grant application.

B. The Grantee certifies by entering into this Grant Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Grant Agreement by any federal or state department or agency. The term "principal" for purposes of this Grant Agreement is defined as an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.

3. Implementation of and Reporting on the Project.

A. The Grantee shall implement and complete the Project in accordance with **Attachment A** and with the plans and specifications contained in its Grant Application, which is on file with the State and is incorporated by reference. Modification of the Project shall require prior written approval of the State.

B. The Grantee shall submit to the State written progress reports until the completion of the Project. These reports shall be submitted on a quarterly basis and shall contain such detail of progress or performance on the Project as is requested by the State.

4. Term. This Grant Agreement commences on **June 01, 2026** and shall remain in effect through **June 30, 2028**. Unless otherwise provided herein, it may be extended upon the written agreement of the parties and as permitted by state or federal laws governing this Grant.

5. Grant Funding.

A. The State shall fund this Grant in the amount of **\$20,000.00**. The approved Project Budget is set forth as **Attachment B** of this Grant Agreement, attached hereto and incorporated herein. The Grantee shall not spend more than the amount for each line item in the Project Budget without the prior written consent of the State, nor shall the Project costs funded by this Grant Agreement and those funded by any local and/or private share be changed or modified without the prior written consent of the State.

B. The disbursement of Grant funds to the Grantee shall not be made until all documentary materials required by this Grant Agreement have been received and approved by the State and this Grant Agreement has been fully approved by the State.

6. Payment of Claims.

A. If advance payment of all or a portion of the Grant funds is permitted by statute or regulation, and the State agrees to provide such advance payment, advance payment shall be made only upon submission of a proper claim setting out the intended purposes of those funds. After such funds have been expended, Grantee shall provide State with a reconciliation of those expenditures. Otherwise, all payments shall be made thirty-five (35) days in arrears in conformance with State fiscal policies and procedures. As required by IC § 4-13-2-14.8, all payments will be by the direct deposit by electronic funds transfer to the financial institution designated by the Grantee in writing unless a specific waiver has been obtained from the Indiana Auditor of State.

B. Requests for payment will be processed only upon presentation of a Claim Voucher in the form designated by the State. Such Claim Vouchers must be submitted with the budget expenditure report detailing disbursements of state, local and/or private funds by project budget line items.

C. The State may require evidence furnished by the Grantee that substantial progress has been made toward completion of the Project prior to making the first payment under this Grant. All payments are subject to the State's determination that the Grantee's performance to date conforms with the Project as approved, notwithstanding any other provision of this Grant Agreement.

D. Claims shall be submitted to the State within twenty (20) calendar days following the end of the month in which work on or for the Project was performed. The State has the discretion, and reserves the right, to NOT pay any claims submitted later than thirty (30) calendar days following the end of the month in which the services were provided. All final claims and reports must be submitted to the State within sixty (60) calendar days after the expiration or termination of this agreement. Payment for claims submitted after that time may, at the discretion of the State, be denied. Claims may be submitted on a [monthly or semi-monthly basis] only. If Grant funds have been advanced and are unexpended at the time that the final claim is submitted, all such unexpended Grant funds must be returned to the State.

E. Claims must be submitted with accompanying supportive documentation as designated by the State. Claims submitted without supportive documentation will be returned to the Grantee and not processed for payment. Failure to comply with the provisions of this Grant Agreement may result in the denial of a claim for payment.

7. Project Monitoring by the State. The State may conduct on-site or off-site monitoring reviews of the Project during the term of this Grant Agreement and for up to ninety (90) days after it expires or is otherwise terminated. The Grantee shall extend its full cooperation and give full

access to the Project site and to relevant documentation to the State or its authorized designees for the purpose of determining, among other things:

- A. whether Project activities are consistent with those set forth in **Attachment A**, the Grant Application, and the terms and conditions of the Grant Agreement;
- B. the actual expenditure of state, local and/or private funds expended to date on the Project is in conformity with the amounts for each Budget line item as set forth in **Attachment B** and that unpaid costs have been properly accrued;
- C. that Grantee is making timely progress with the Project, and that its project management, financial management and control systems, procurement systems and methods, and overall performance are in conformance with the requirements set forth in this Grant Agreement and are fully and accurately reflected in Project reports submitted to the State.

8. Compliance with Audit and Reporting Requirements; Maintenance of Records.

- A. The Grantee shall submit to an audit of funds paid through this Grant Agreement and shall make all books, accounting records and other documents available at all reasonable times during the term of this Grant Agreement and for a period of three (3) years after final payment for inspection by the State or its authorized designee. Copies shall be furnished to the State at no cost
- B. If the Grantee is a "subrecipient" of federal grant funds under 2 C.F.R. 200.331, Grantee shall arrange for a financial and compliance audit that complies with 2 C.F.R. 200.500 *et seq.* if required by applicable provisions of 2 C.F.R. 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements).
- C. If the Grantee is a non-governmental unit, the Grantee shall file the Form E-1 annual financial report required by IC § 5-11-1-4. The E-1 entity annual financial report will be used to determine audit requirements applicable to non-governmental units under IC § 5-11-1-9. Audits required under this section must comply with the State Board of Accounts *Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources*, <https://www.in.gov/sboa/files/guidelines-examination-entities-receiving-financial-assistance-government-sources.pdf>. Guidelines for filing the annual report are included in **Attachment C** (Guidelines for Non-governmental Entities).
- D. The Grantee/Subrecipient must provide a copy of its Audit Report to:

Indiana Department of Health
Attn: Contracts Section, 2nd Floor Finance
2 North Meridian Street
Indianapolis, IN 46204

9. Compliance with Laws.

- A. The Grantee shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Grant Agreement shall be reviewed by the State and the Grantee to determine whether the provisions of this Grant Agreement require formal modification.
- B. The Grantee and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC § 4-2-6, *et seq.*, IC § 4-2-7, *et seq.* and the regulations promulgated thereunder. **If the Grantee has knowledge, or would have acquired knowledge with reasonable inquiry, that a state officer, employee, or special**

state appointee, as those terms are defined in IC 4-2-6-1, has a financial interest in the Grant, the Grantee shall ensure compliance with the disclosure requirements in IC § 4-2-6-10.5 prior to the execution of this Grant Agreement. If the Grantee is not familiar with these ethical requirements, the Grantee should refer any questions to the Indiana State Ethics Commission or visit the Inspector General's website at <http://www.in.gov/ig/>. If the Grantee or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Grant immediately upon notice to the Grantee. In addition, the Grantee may be subject to penalties under IC §§ 4-2-6, 4-2-7, 35-44.1-1-4, and under any other applicable laws.

C. The Grantee certifies by entering into this Grant Agreement that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees or other statutory, regulatory or judicially required payments to the State. The Grantee agrees that any payments currently due to the State may be withheld from payments due to the Grantee. Additionally, payments may be withheld, delayed, or denied and/or this Grant suspended until the Grantee is current in its payments and has submitted proof of such payment to the State.

D. The Grantee warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the State of any such actions. During the term of such actions, the Grantee agrees that the State may suspend funding for the Project. If a valid dispute exists as to the Grantee's liability or guilt in any action initiated by the State or its agencies, and the State decides to suspend funding to the Grantee, the Grantee may submit, in writing, a request for review to the Indiana Department of Administration (IDOA). A determination by IDOA shall be binding on the parties. Any disbursements that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest.

E. The Grantee warrants that the Grantee and any contractors performing work in connection with the Project shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Grant Agreement and grounds for immediate termination and denial of grant opportunities with the State.

F. The Grantee affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

G. As required by IC § 5-22-3-7:

(1)The Grantee and any principals of the Grantee certify that:

(A) the Grantee, except for de minimis and nonsystematic violations, has not violated the terms of:

(i) IC § 24-4.7 [Telephone Solicitation Of Consumers];

(ii) IC § 24-5-12 [Telephone Solicitations]; or

(iii) IC § 24-5-14 [Regulation of Automatic Dialing Machines];

in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and

(B) the Grantee will not violate the terms of IC § 24-4.7 for the duration of this Grant Agreement, even if IC §24-4.7 is preempted by federal law.

(2)The Grantee and any principals of the Grantee certify that an affiliate or principal of the Grantee and any agent acting on behalf of the Grantee or on behalf of an affiliate or principal of the Grantee, except for de minimis and nonsystematic violations,

(A) has not violated the terms of IC § 24-4.7 in the previous three hundred sixty-five (365) days, even if IC § 24-4.7 is preempted by federal law; and

(B) will not violate the terms of IC § 24-4.7 for the duration of this Grant Agreement even if IC § 24-4.7 is preempted by federal law.

10. Debarment and Suspension.

A. The Grantee certifies by entering into this Grant Agreement that it is not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Grant by any federal agency or by any department, agency or political subdivision of the State. The term "principal" for purposes of this Grant Agreement means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.

B. The Grantee certifies that it has verified the suspension and debarment status for all subcontractors receiving funds under this Grant Agreement and shall be solely responsible for any recoupments or penalties that might arise from non-compliance. The Grantee shall immediately notify the State if any subcontractor becomes debarred or suspended, and shall, at the State's request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Grant Agreement.

11. Drug-Free Workplace Certification. As required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana, the Grantee hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. Grantee will give written notice to the State within ten (10) days after receiving actual notice that the Grantee, or an employee of the Grantee in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of grant payments, termination of the Grant and/or debarment of grant opportunities with the State of Indiana for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total amount set forth in this Grant Agreement is in excess of \$25,000.00, the Grantee certifies and agrees that it will provide a drug-free workplace by:

A. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Grantee's workplace and specifying the actions that will be taken against employees for violations of such prohibition; and

B. Establishing a drug-free awareness program to inform its employees of: (1) the dangers of drug abuse in the workplace; (2) the Grantee's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace; and

C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment the employee will: (1) abide by the terms of the statement; and (2) notify the Grantee of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction; and

D. Notifying in writing the State within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction; and

E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) take appropriate personnel action against the employee, up to and including termination; or (2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and

F. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.

12. Employment Eligibility Verification. As a condition precedent to entering this Grant Agreement, and as required by IC § 22-5-1.7-3 and Executive Order 25-29, the Grantee swears or affirms under the penalties of perjury that the Grantee has not knowingly employed, and will not knowingly employ, an unauthorized alien. Grantee further affirms that:

- A. The Grantee has enrolled in, and verified the work eligibility status of all his/her/its employees through the E-Verify program as defined in IC § 22-5-1.7-3. The Grantee is not required to participate should the E-Verify program cease to exist. Additionally, the Grantee is not required to participate if the Grantee is self-employed and does not employ any employees.
- B. The Grantee has not knowingly employed or contracted with, and shall not knowingly employ or contract with, an unauthorized alien. The Grantee has not retained, and shall not retain, an employee, and has not contracted and shall not contract with a person, that the Grantee subsequently learned or learns is an unauthorized alien.
- C. The Grantee has required and shall require his/her/its subcontractors, who perform work under this Grant Agreement, to certify to the Grantee that the subcontractor does not knowingly or unknowingly employ or contract with an unauthorized alien and that the subcontractor has enrolled and is participating in the E-Verify program. The Grantee agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor and to provide any and all such certifications to the State promptly upon request.

The State may terminate this grant agreement for default if the Grantee fails to cure a breach of this provision no later than thirty (30) days after being notified by the State.

13. Funding Cancellation. As required by Financial Management Circular 3.3 and IC § 5-22-17-5, when the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of performance of this Grant Agreement, it shall be canceled. A determination by the Director of the State Budget Agency that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

14. Governing Law. This Grant Agreement shall be governed, construed, and enforced in accordance with the laws of the State of Indiana, without regard to its conflict of laws rules. Suit, if any, must be brought in the State of Indiana.

- A. The Grantee covenants that it shall not discriminate against any employee or applicant for employment relating to this Grant with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law ("Protected Characteristics"). The Grantee certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this subparagraph may be regarded as a material breach of this Grant, including for purposes of Indiana Code § 5-11-5.5-2, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the Grantee or any subcontractor.
- B. Grantee covenants that it does not and shall not operate any programs or engage in any practices promoting Diversity, Equity, and Inclusion (DEI) that violate Indiana or Federal Civil Rights Laws by treating a person differently on the basis of race or sex, such as by considering race or sex when making recruitment, hiring, disciplinary, promotion, or employment decisions; requiring employees to participate in training or educational programs that employ racial or sex stereotypes; or attempting to achieve racial or sex balancing in the Grantee's workforce. The Parties agree that a breach of this subparagraph is a material breach of this Grant, including for purposes of Indiana Code § 5-11-5.5-2, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the Grantee or any subcontractor.

19. Order of Precedence; Incorporation by Reference. Any inconsistency or ambiguity in this Grant Agreement shall be resolved by giving precedence in the following order: (1) requirements imposed by applicable federal or state law, including those identified in paragraph 24, below, (2)

this Grant Agreement, (3) Attachments prepared by the State, (4) Invitation to Apply for Grant; (5) the Grant Application; and (6) Attachments prepared by Grantee. All of the foregoing are incorporated fully herein by reference.

21. Termination for Breach.

A. Failure to complete the Project and expend State, local and/or private funds in accordance with this Grant Agreement may be considered a material breach, and shall entitle the State to suspend grant payments, and to suspend the Grantee's participation in State grant programs until such time as all material breaches are cured to the State's satisfaction.

B. The expenditure of State or federal funds other than in conformance with the Project or the Budget may be deemed a breach. The Grantee explicitly covenants that it shall promptly repay to the State all funds not spent in conformance with this Grant Agreement.

22. Termination for Convenience. Unless prohibited by a statute or regulation relating to the award of the Grant, this Grant Agreement may be terminated, in whole or in part, by the State whenever, for any reason, the State determines that such termination is in the best interest of the State. "Separateness" of the Parties. The State acknowledges and agrees that because of the unique nature of State Educational Institutions, the duties and responsibilities of the State Educational Institution in these Standard Conditions for Grants are specific to the department or unit of the State Educational Institution. The existence or status of any one contract or grant between the State and the State Educational Institution shall have no impact on the execution or performance of any other contract or grant and shall not form the basis for termination of any other contract or grant by either party. This clause only applies to State Educational Institutions.

26. HIPAA Compliance. If this Grant involves services, activities or products subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Grantee covenants that it will appropriately safeguard Protected Health Information (defined in 45 CFR 160.103), and agrees that it is subject to, and shall comply with, the provisions of 45 CFR 164 Subpart E regarding use and disclosure of Protected Health Information.

Non-Collusion, Acceptance

The undersigned attests, subject to the penalties for perjury, that the undersigned is the Grantee, or that the undersigned is the properly authorized representative, agent, member or officer of the Grantee. Further, to the undersigned's knowledge, neither the undersigned nor any other member, employee, representative, agent or officer of the Grantee, directly or indirectly, has entered into or been offered any sum of money or other consideration for the execution of this Grant Agreement other than that which appears upon the face hereof. **Furthermore, if the undersigned has knowledge that a state officer, employee, or special state appointee, as those terms are defined in IC § 4-2-6-1, has a financial interest in the Grant, the Grantee attests to compliance with the disclosure requirements in IC § 4-2-6-10.5.**

ATTACHMENT A

SCOPE OF WORK

1. PURPOSE

Attachment A is for the period of 06/01/2026 – 06/30/2028.

This agreement will fund the Vanderburgh County Health Department (VCHD) to support continuation and enhancement of their Produce Prescription program (PRx) that is integrated in their Diabetes Prevention Program (DPP) and Healthy Lifestyle program to scale and reach more participants. VCHD is a vital partner of IDOH/DNPA for PRx programming and other Food is Medicine interventions. The IDOH DNPA will also collaborate with VCHD to help reach Food is Medicine goals by learning processes of embedding programming into healthcare practice through electronic medical record integration, if applicable, and streamlining evaluation efforts.

2. GRANT ACTIVITIES

Scope of Work:

The Vanderburgh County Health Department (VCHD) will provide bi-weekly produce boxes for 15-20 individuals who screen food insecurity through their Diabetes Prevention Program (DPP) and Healthy Lifestyles program. This removes a primary barrier of access to nutritious food to prevent and manage chronic disease and supports the goal of weight reduction and improved A1c through improved diet. Produce boxes will be sourced through the Nourish Program through Urban Seeds. Nourish prioritizes utilizing local food sources when able to supply the boxes.

This grant agreement is **reimbursement-based**. Payments will be issued upon submission of approved invoices.

Program Deliverables:

The Grantee will:

- Plan and implement identification and enrollment of participants with targeted disease states through professional healthcare partners.
- Plan and implement registration and pre/post data collection for disease state, food insecurity, and produce consumption.
- Plan and implement distribution, redemption, and tracking systems for produce/food incentives to monitor outcomes.
- Plan, implement, and track nutrition education programming, including supplies, delivery, and participant engagement.
- Support ongoing data entry, documentation, and project management tasks.
- Submit quarterly reporting and/or by cohorts.

Evaluation Requirements:

The Grantee must:

- Maintain a monitoring and evaluation plan, including tracking of produce box incentives (number and/or dollar value distributed), cohort start dates, enrollment, drop-outs, and completion.
- Submit participant-level pre/post survey data for each cohort or qualitative survey reporting as agreed upon with IDOH.
- Submit final reports for each cohort completion.
- Use REDCap for secure collection and submission of evaluation data.

3. IDOH Responsibilities:

- IDOH DNPA staff will provide contract oversight, technical assistance, evaluation guidance, templates, and data collection resources. DNPA will work with Grantee to establish feasible data collection processes and maintain secure REDCap systems.

4. INVOICES

- The Grantee will be paid monthly for deliverables defined and referenced above. Such payment shall be made in arrears upon receipt and approval of the invoices received. All invoices must be accompanied by written documentation of actual expenditures for all claimed items. The contractor will be paid monthly for deliverables defined and referenced above. Such payment shall be made in arrears upon receipt and approval of the invoices received.
- Each invoice for services must be approved by the Indiana Department of Health Division of Nutrition and Physical Activity (DNPA) Director or appointed designee within the DNPA before being accepted for reimbursement.

5. ASSOCIATED DELIVERABLES

Travel:

- In-state travel (lodging, mileage, and per diem) will be reimbursed at State of Indiana rates.
- Out-of-state travel is not reimbursable.

Justification:

This contract will assist the Division of Nutrition and Physical Activity (DNPA) in completing deliverables and workplan activities associated with the Builders Initiative Foundation funding. This intra-state funding has been awarded to DNPA through a Healthy Hoosier Foundation (HHF) Grant agreement (official awardee of the Builders Initiative Foundation funding). The activities in this grant will focus on Food is Medicine interventions, Produce Prescription programming, and Nutrition Incentives (Double Up Indiana) to increase access and consumption of nutritious food to prevent and manage diet-related chronic conditions.

ATTACHMENT B

BUDGET

The Vanderburgh County Health Department (VCHD) will provide bi-weekly produce boxes for 15-20 individuals who screen food insecurity through their Diabetes Prevention Program (DPP) and Healthy Lifestyles program. This removes a primary barrier of access to nutritious food to prevent and manage chronic disease and supports the goal of weight reduction and improved A1c through improved diet.
